A Love of Reading Begins Here

Our Primary Students enjoy spending time in the Picture Book Section of the library each week.

Lucky in our "Library Lion" and he protects the books and reminds the students about how to behave in a library (we read the book together in September)

The library displays are continuously updated to keep the students engaged and to introduce them to a variety of books. The St. Lucy Library has all kinds of books, there's something for everyone!

Take a Virtual Tour of Our Non-Fiction/Junior & Intermediate Reader Sections

There's so Much to Chose From!

Our library has many popular series and Graphic Works.

J/I students can find all sorts of reading materials on the Junior Fiction and Nonfiction shelves. They are welcome to sign out picture books as well.

Non-Fiction books can be read for pleasure or for school assignments.

The Grade 7 & 8 Section is where you'll find more mature and age-appropriate fiction. This section is the place all students want to take book from and when they finally can, the looks of excitement are so fun!

Flexible seating offers each cohort a place to relax and enjoy browsing the books.

Library Information for ALL STUDENTS

-Each class has been given a Book Exchange/Browsing Time to come visit the library once a week. **Students may choose two books each week.**

-Library **books may be brought home or they can stay in the classroom.** Make sure you take good care of your books and return them on time. You may keep books for up to TWO WEEKS.

-**Lost or damaged books must be paid for or replaced** with a book of equal value and of library quality.

-**We will gladly accept DONATIONS of very gently used books for or library.** If anything is not able to be used in the library, They will be donated to the appropriate classrooms. Donations never go to waste at a school!

-**Books that were signed out in the previous school year must be returned ASAP. If the book has been lost, students are responsible for paying for the book or replacing it.** Please settle your accounts so library privileges will not be discontinued.
